PRESIDENT'S REPORT

Happy September everyone.

Not much to write about this month, so I won't waffle.

Rusty Springs is coming up this month. I believe there is still one room left. It will be a lot of fun so I urge you to come along if you can. Also a reminder that you will need to pay by CASH when you are there.

It's most probably a good time to mention thinking about a position on the committee. It is not that difficult, and the only extra time that it takes up is coming to the meetings one hour earlier to attend the committee meeting. Although in one respect having continuity on a committee is good, it is important to give the current members the opportunity of a break, and it is also good to have new ideas coming into the club, so please consider a position.

The AOMC has produced a new handbook for the Club Permit Scheme to incorporate the new logbook. The club will be purchasing some in the very near future.

That will do.

See you at the meeting.

Frank.

Club Captain's Report September

I did enjoy the Grand Meander, it was a wonderful day for driving Morries through the beautiful Gippsland countryside with the sun shining on them. I would like to thank Martin and Cindy for arranging the day out and Alan and Jan for providing their home for a great lunch venue. More details in the run report.

Sue and I are off to the UK for the next nine weeks catching up with family and friends therefore missing the next 2 club meetings. While I am away we will need to get the numbers attending the Christmas Party under way. Barbara Urquhart will be taking names and the \$5.00 per head cost until I return at the end of October.

I hope all the Club members going to Rusty Springs have a good time and look forward to seeing you all at the Lake Goldsmith Steam Rally.

Keep on Morrying

Mark

1961 Morris Minor - Urgent Sale - \$6,500 ONO

This is a Special Interest registered car that I have had for 12 years. I had always wanted a Morris Minor; something left over from my youth in the 60's and my brother who is a car dealer just happened to be in Geelong and purchased the car for me, so I have no history of it, but it is a well-appointed vehicle. I have kept it in a garage for the past 12 years and rarely use it unfortunately as we have other cars and just don't get time. I take it out for a drive every few months and I can tell you it always starts first time. It has new cloth upholstery.

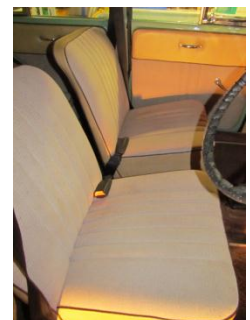

It has a spot of rust on the back door that I have been meaning to get my brother to fix, but it is so insignificant that I haven't bothered, it is about the size of a 50cent piece but I have included a picture to show you. It drives like a 1960's vehicle which is the fun of having one of these vintage cars.

I had a service done on the 15th December 2000 and it was meant to be serviced again at 46000 miles and it is currently only 44477 goes to show you how much I use it. For some years I used to drive it on Saturday to the golf club. The only reason I am selling it at all, is that I am moving to Melbourne to live.

If you have anyone in your club that may be interested in purchasing it please let me know. I am happy to send further photos or speak to anyone personally over the phone.

Regards

CLUB PERMIT SCHEME NEWS

- The terms and conditions of a sign written commercial vehicle on the Club Permit Scheme.

The Vic Roads policy reads:

The "No Commercial Use" requirement refers to carrying goods or passengers for commercial gain.

Vic Roads policy does NOT prohibit vehicles being painted, sign written and operated under the Club Permit Scheme for the use of a static advertisement or to promote a business.

- Slimline Number Plates under the Club Permit Scheme

While vehicles newly admitted to the scheme will be issued with normal size plates, permit holders could apply for and pay the slimline plate fee.

A slimline plate or plates will be manufactured and posted to the applicant and the original plates returned.

It should be noted however, that slimline club permit number plates would be of standard width, although they will be lower in height, compared to a standard number plate.

As the plates display permit numbers rather than a registration number, permanent rights to a permit number would not be granted and cannot be purchased

RUN REPORTS

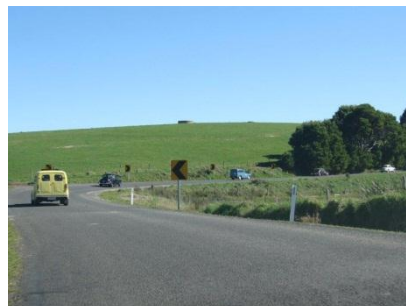

Run Report- Sunday 21 September by Michael Dobson

After gathering at the main shopping centre carpark in Cranbourne from 9am, attendees, including a first timer, Norma, with her 4 door English grey Morrie, were welcomed by the Club Captain. The convoy of morries and moderns hit the road at 9:30am led by the intrepid owners of multiple morries, Cindy and Martin French. The sky was blue and the sun shone kindly down as we drove through Cranbourne and past its racecourse, on the way to our first stop for refreshments at Korumburra. Due to a naughty morrie who did not want to venture out from his Diamond Creek home I was driving my modern plastic car whose superior suspension and dust-sealing capability came in handy later in the journey.

The drive through the rolling green hills was beautiful and being at the end of the convoy Veronica and I experienced the added joy of seeing the various models of Morrie driving in front of us up the hilly and winding highway.

On arrival at Korumburra we all parked near Kelly's Café and joined the big queue of hungry and thirsty club members to fill our tummies with all the non-fattening cakes and pies and cappuccinos on offer. Most of us had not eaten for at least two hours and the prospect of pritikin fat free and sugar free food was too great to resist. After about an hour we left the café and resumed the journey after slowly driving past a big group of motorcyclists in the carpark. Those motorcyclists amongst us, myself included, were probably a little envious of those leather-clad individuals and their powerful bikes, despite our morrie induced pleasures, in view of the exceptionally pleasant sunny day.

Shortly after leaving Korumburra we experienced even more spectacular scenery upon joining the Grand Ridge Road leading to the lovely 70 acre property of our very welcoming hosts, Al and Jan Young. That section of the trip was simply spectacular and we commented at the time that we could have been driving through "hobbit" country. As we drove along the unmade road in our well sprung and well sealed modern we lost sight of some of the morries as they disappeared into the potholes amid clouds of dust. At that point we felt the pain of a certain owner in front of us as he experienced the dust engulfing the highly polished duco of his previously unblemished black morrie.

As we arrived at their Trida property, Al and Jan welcomed all of us warmly and it soon became apparent that they had gone to quite a bit of trouble in hosting us for the afternoon. The provision of nibbles, salad and sweets, and the lighting of inside and outside wood fires was very generous of them.

After lunch of BBQ and picnic fare we left the added warmth of the large outside fireplace and walked over the paddocks of the scenery laden property, taking in the lake with its rowboat of lazy passengers and the hidden waterfall deep in the bushland. On our return to the rear garden of the house we rejoined those who found the walk a little too strenuous (the pritikin food of Kelly's lacked the glucose to induce energy) and had a further coffee/tea and cake or two to sufficiently nourish us for the long journey home.

Before the group departed at around 3pm., the club captain Mark Parritt publicly thanked Al and Jan for their hospitality. A thank-you I would repeat here, as everyone I'm sure would agree, Al and Jan much deserve. A big thank-you to Martin and Cindy also for organising and leading such an enjoyable run.

Attendees:

29 members 2 visitors in 13 Morries & 3 Modern

Ken & Barbara Urquhart, Gary & Sue Turner, Michael & Veronica Dobson, Graham & Lesley Dines, John Druery & his cousin John visiting from Tassie, Graham & Rosalee Harper, Percy & Cheryl Scicluna, Sue & Mark Parritt,

**2013 National Rally,
Southern Highlands Morris Minor Car Club Inc.
56 Throsby Street,
Moss Vale, NSW, 2577.**

Welcome fellow Morris Minor enthusiasts to Bulletin 2 for the 2013 Nationals.

If you've been checking the website you will have noticed we've got up some forms for entry to the Concourse/Display, as well as the Rally Rules (not changed much from 2011). We're working on the Judging Guidelines and will have them up when they're finalised.

Thanks to everyone who sent back the confirmations of their club addresses, still waiting on a few so I'll just have to assume that email is the best way to contact you, using info from the websites of those who have them. Special thanks to Debbie and Brian Condon from the NSW Club for their help, support and advice.

We have received 18 paid entries to date, and have already had a couple of sponsors make themselves known and we'll get these up on the website very soon.

We've also had a number of suggestions as to things participants would like for the Rally, we can't please everyone but are doing our best to incorporate them where possible.

One suggestion was that we don't have a dinner on Saturday night. This came in the form of "Friday night is the Welcome, Sunday night is the Presentations – it would be nice if there was a night for Clubs to do their own thing." We've informally asked around, and conducted a poll on morrisdownunder.com and while not conclusive due to a small number of votes, it leant heavily toward dropping the formal Saturday night dinner.

This brings me to the big question. What would you like – an opportunity for your club to organise a dinner or BBQ together, or attend one put on by us? If you could respond via email with your club's decision we would welcome your comments.

**Also, you can now pay your Rally Entry online, our Bank details are -
Account Name : SHMMCC Inc
BSB : 802101
Account No : 10046477**

Just be sure you put your name and Entry Number which you get from the Rally Co-ordinator in the message field so we can mark you off as paid.

In closing I hope your projects are progressing (faster than mine) and, we'll see you in the Southern Highlands in 2013.

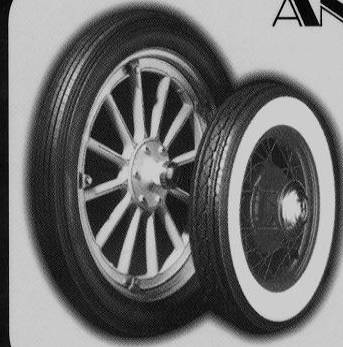

**Chris Coates
Rally Secretary**
