Hi Everyone,

It's been a busy time in the Carr household with my No.1 helper on school holidays. He is always happy to help with the test driving of vehicles but loses interest after a while with the repairing of them.

I recently replaced a clutch on a MM Morris Minor that had started to slip. The clutch plate was just down to the rivets, and the carbon thrust bearing was completely shot. Luckily, I had a good second hand one in stock to fit to the gearbox before reassembly.

We are off to the Werribee Mansion this month so keep any eye out for the information in an email. In June we are going to the Holden Museum in Trafalgar followed by a delicious lunch at the Robin Hood Inn.

Don't forget your membership fees were due to be paid at the end of March. Please contact Jim Gourlay if you are not up to date. You cannot drive your club permitted vehicles until you are a paid-up member.

The AGM is coming up in June. The club operates with the help of many members but a few more helpers always makes life easier, so please put your hands up to help your club. All positions will be available so put your thinking caps on and throw your hat in the ring to make this club even better.

Here's a photo of a series II engine I have been rebuilding for a club member.

Keep on Morrying,
Stewart Carr

GENERAL MEETING MINUTES OF THE MORRIS MINOR CAR CLUB OF VICTORIA INC.

**HELD AT THE HORRIE WATSON HALL, DEEPE NE AND ALSO VIA ZOOM ON
THURSDAY 13TH APRIL 2023**

The President welcomed the members present and online and opened the meeting at 8.03pm.

Committee Members Present: President: Stewart Carr; Treasurer: Katie Hamilton; Editor: Barb Went; Secretary: Ed James; CPS Officer: Geoff Shepherd; and Regalia: Alan Todd.

Attendance: Approximately 22 members were present together with 2 members via Zoom.

Apologies: Jim Gourlay, Braidy Davies, Richard McKellar, Percy & Cheryl Scicluna and Henry Edwards.

Visitors and New Members: Long time member but first time at a meeting was Michael Scala who has a Morris Minor utility.

Acceptance of Minutes

Minutes of the previous meeting held 9th March 2023 accepted on the motion of Ross Carr and seconded by Geoff Shepherd.

President's Report: As per the Generator. Stewart discussed how everyone had a good time at the National Rally and commented on how well it was run. Hopefully we will be able to do a power point presentation next month once we have been provided with photos, etc. of the event. The next National Rally will be held in Perth in 2025.

Secretary's Report: Various items of information have been received by email and forwarded to appropriate office bearers. Ed advised that there are still quite a few tickets left in the South Australian Club's raffle for a Morris Minor and offers good odds given the number of tickets that will be sold. Some enquiries received about the sale of Morris Minors and/or parts together with technical requests. These have been referred to appropriate persons.

Treasurer's Report: Katie advised that we have a current operating balance of \$7,900.43. With our term deposit of \$8,512.07 we have a combined balance of our accounts of \$16,412.37. Katie reminded members that their memberships were due on 1st April.

Membership Officer's Report: As per the Generator. Jim absent but we were advised that we currently have 188 members including 7 Life members. We have one new member this month.

Club Captain's Report: While we no longer have a Club Captain, various members spoke about upcoming events. The Florence Thompson Tour is to be held at the end of this month. As 3 or 4 cars will be attending from this club we will not be doing another run this month. Ed James is to organise a run hopefully with Tim Lengyel to the Werribee Mansion for either 21st or 28th May. More details in the next Generator. Stewart is doing the run in June to the Holden Museum. The mid-year lunch in July will be at the Toolangi Hotel. In August we will have the Morrykana at Roxburgh College. We need members to organise some runs together with coming up with ideas for other runs.

CPS Officer's Report: Geoff further discussed the CPS arrangements for when he will be away from May

for 7 months. His role has been delegated to other members. Renewals need to be sent as soon as possible to ensure they are completed before the registration expires. Geoff also said that memberships have to be paid up for the CPS registrations to be processed. Members were reminded that they can bring their renewal forms to club meetings to have them signed. Presently we have 107 cars on club plates.

Regalia Officers: Alan advised that he will be arranging shortly for stubby holders and pens to be made with details of our club on them.

Editor's Report: Barb advised that she is after information, stories, pictures, etc. from members for inclusion in the Generator. As she will be away for a while the June Generator may be a little late. The May Generator will still be on time.

GENERAL BUSINESS

1. The next National Rally in 2 years is going to be in Perth (2025) for which we will have to start making our club's arrangements very early. For the National Rally after that (2027) we are going to offer our support to the Tasmanian Morris Minor car club in making their submission and also in the running of this event;
2. The AGM is in June and we still have vacancies on the Committee for a Vice President, Club Captain, Historian and Librarian for anyone wanting to take on a role. Members if they want to get a feel for how the Committee operates can volunteer to be just General Committee members;
3. Trevor Sarbach suggested we could do a run to see the Spanner Man in Barraport near Boort;
4. Michael Dobson had given to him an August 1977 copy of the Generator which he displayed at the meeting.

Items for Sale, Wants & Needs:

Stewart Carr is still after a 1098 engine block.

Stewart advised that 2 different Morrisies are for sale near him. One is a Series II Woody and the other a Series II Panel Van. Both are advertised on Facebook and Stewart will look at them for anyone who is interested. Within a kilometre of Stewart he knows of 5 different Morris Minors stored away.

Tips & Hints:

Stewart advised that for the travelling associated with the National Rally he repaired 3 or 4 sets of points and that only one set of these had grease on the cam. He said for big trips ignition problems are common so that it is good to carry a spare set of points, condenser and distributor cap.

Mark Bosley discussed the problems he had with his Morris on the trip to Adelaide.

About 22 cars went from our club to the National Rally, of which 2 or 3 broke down. Club members won 5 different trophies at the event.

There being no further business the meeting closed at 8.49pm followed by the drawing of the raffle.

Ed James
Secretary

Confirmation Previous Annual General Meeting Minutes

Minutes of the previous meeting held 10th June 2021 accepted on the motion of Ross Carr and seconded by John Druery. PASSED

President's Annual Report

Last year's AGM was held in June by Zoom how things have changed! We gained Alan and Liam Todd as the new regalia officers otherwise no changes in the committee.

The June run was a really lovely one through Altona foreshore to the B52 Liberator in Werribee. The weather was pleasant, and it was truly exciting to be in a Morry convoy again after so long.

The July run was to be the Christmas in July but that got Covid and was changed so many times we gave up. We did manage a meeting in person in July with masks, QR codes and social distancing.

In August we were in lockdown again so no run and a Zoom meeting. A minor miracle did occur this month with the appearance of a Barb Went who volunteered to become the next Editor of the Generator. This month's Generator was a combined effort from both her and Rob Smith. Thanks to Rob for all his work.

September had Alan working on a new image of the Morris Minor which I liked so much I proposed it to be the new emblem of the club. This was discussed on zoom and created a bit of controversy but the people rejected the new emblem resoundingly and so it is to be used on regalia as people choose. Thanks to everyone for participating in the democratic process.

The October Generator is now fully produced by Barb who started the role by sorting out some of the advertising. She visited Thorpe to get him on board again which was lovely. Another Zoom meeting for that month.

The annual Cup Day run at Henry and Marlene Edwards was cancelled but a small group had a run through Bacchus Marsh. When restrictions were lifted the MMCCV hit the ground running with a picnic run on a Tuesday to Panton Hill. Thanks to Mike and Veronica Dobson for being so flexible and to everyone who turned up – it was great. The easing of the restrictions also meant the Day of the Morris Minor at the La Trobe University market could go ahead. Considering the circumstances, a 40 Morry turn up was a pretty good effort. I thought the venue was excellent and hope we continue there next time. Thanks to all the volunteers – it was hard to get them to take breaks as they were enjoying themselves so much. The new regalia was made available and looked great.

Christmas dinner was at the Veneto Club and that was dramatic with the power being out when we arrived due to the storms, however the club managed to get power back reasonable quickly and food was soon coming out. No entertainment was organised as everyone was too busy talking and catching up.

January was our first in person meeting at the Horrie Watson Pavilion as we celebrated in style with a sausage sizzle. Thanks to Marcus for the salads and to Mike for the BBQ and cooking. The January run was the annual Westerforlds Park with Mike Dobson getting up at the crack of dawn to preserve our place. It was also when Barb really started to show her colours as the Editor with a new banner for the Generator – I like it!

February we had a real treat with a Mystery run ending up at the Pantom Hill pub. Much thanks to Trevor Sarbach for organising this and here's hoping he will do another. Congratulation to Mike Dobson and his navigator Veronica on winning. There was also a small impromptu run on a Monday attended by three Morries and three moderns. Impromptu runs are easy to do just get the editor to send out an email a few days before with the details.

March run was to the Upper Yarra Museum in Yarra Junction after a fantastic tour through the hills. Very well attended and a great little museum. Thanks to Jim Gourlay for the day.

April we has our second Teddy bears Picnic which is a city run though Balwyn and the Kew Boulevard to Canterbury Gardens. The highlight must surely had been the 1 week old grandson of Geoff and Cheryl Nougher who looked absolutely stunning amongst the teddy bears. The April meeting had a presentation by Mark Parritt and Richard McKellar on the National Rally which sounds unmissable – I know I won't!

At the end of April was the Florence Thompson Tour around Bendigo where we had five cars representing our club with their female drivers. A great effort.

This AGM there is a bit of change occurring on the committee with Wayne Cunningham being replaced by Geoff Shephard as the Club plate officer and several positions being unfilled including the President.

I have been privileged to be your president for the past 5 years through some pretty tough times for us all and I feel I am leaving the club in pretty good shape. I hope the next president has as much fun as I have had. Thank you to my lovely committee who helped make me look after all of you.

Keep on Morrying,

Braidy Davies
Ex Presidente

Treasurer's Report for 2021-2022 Club Year

Katie Hamilton was absent due to being in outback NSW so Stewart Carr presented the report on her behalf. Her report is as follows:

Another year living with Covid, and the club has remained strong financially and it is fabulous to be back to meetings in person.

A summary of the accounts for the year ended 31 March 2022 is as follows:

	<u>2021-22</u>	<u>2020-21</u>
• Income	\$8,618.00	\$6,054.50
• Expenditure	\$8,740.26	\$6,079.05
• Total Cash Assets as at 31 st March	\$14,359.90	\$14,430.50

Made up of

• Operating Account	\$5,862.64
• Term Deposit Balance	\$8,497.26

The TD will mature on 13 June 2022

The club has no outstanding liabilities or debts. The current financial status of the club remains very sound and as such memberships are to remain the same.

As a not-for-profit entity, the required self-assessment of income and expenditure has been conducted. Assessable income did not exceed the minimum threshold of \$416, hence the Club is not required to submit a tax return or pay tax for the financial year 21-22. The required ATO paperwork will be lodged after the AGM.

The Club recorded a provisional before tax deficit of \$70.60. This compares to the previous year's surplus of \$50.95.

The Club accounts have been independently audited and found to represent a true and correct record of the club's income and expenditure for the 2021-22 financial year. A copy of that audit is available to any member who wishes to receive one. I can email that out.

The auditor commented that one invoice of \$35.45 was missing. This relates to provision of supper goods provided by Marcus. The receipt and invoice were received and subsequently lost. I recommend that due to its limited value and consequence, the topic be allowed to lapse.

There are 2 audit recommendations:

1. Provide statements for the main account each month with the bank logos on them.

Currently I provide bank the auditor with monthly transaction listings printed from the Online Bank Portal and the quarterly statements. I will contact the Bank to arrange monthly statements.

2. Provide statements for the Term Deposit Account each month.

We have the ability to provide a "Proof of account" each month and the auditor has advised that this will be acceptable. The term deposit has 6 monthly bank statements which are currently provided to the auditor.

Clause 30.1 of our club rules requires that our AGM be held within 5 months of end of our financial operating period. This equates to 31/8 annually. When we hold an AGM in May, the auditor has roughly a 6 week window to prepare and provide audit statement. The outcome is undue pressure on an extremely low cost auditor to the club, and provision of report to me as Treasurer at the 11th hour, to review and present at the AGM. The auditor's charge represents an exceptionally low and unmatched annual cost to the club. Thus the club is faced with the choice of moving the AGM further out or finding another auditor.

I move that the AGM be held later each year, to allow a reasonable period of receipt, preparation, and return of audited accounts.

Hon Treasurer

The Motion "That the next AGM be moved to the second Thursday of June 2023" was Proposed by Geoff Shepherd and Seconded by Braidy Davies. Unanimously Carried

Adelaide National Rally.

What word would you use to describe the Adelaide National Rally? ...FUN!

Before I start with this report, I have to acknowledge the bond and camaraderie between the club members of our club, and the wider Morris Minor community.

As many would know – possibly the best fun is the drive over.

Travelling in convoy and staying together along the way, sure makes a long journey very enjoyable!

Setting off at 10.00am, on a wet Melbourne morning – our first overnight stay was at Nhill, where we were joined other Morris Minor Club members and continued through to Adelaide, and to our accommodation for the next few days.

Official Day One: We checked-in on Friday to pick up our Rally Packs – and then on to the SA Aviation Museum for a BBQ Dinner. We spent time looking at all the exhibits and raft of fabulous flying machines!

Official Day Two: After an early morning meeting at Wayville, in convoy, we wound our way around the picturesque hills to the National Motor Museum at Birdwood. Our cars were on display and the

'People's Choice' judging took place. All cars had their own QR code – and this was a fabulous option to judge your favourite vehicle in each section. With today's QR technology you have to marvel how the world has changed since Covid.

Rocker Cover Racing was hugely popular and our own Graeme Dines took out pole position!

With many attendees wearing 'vintage fashions' – and a Concert Band Playing in the background – the atmosphere felt like I as at Goodwood Revival!

In the evening a Delegates Meeting was attended and to our surprise, two 2025 presentations were submitted, Tasmania and WA. Ballots were counted and WA was the clear favourite.

Official Day Three: An early start again. We assembled at Victoria Park for a BBQ breakfast.

A photoshoot of around 150 cars followed breakfast – and we ventured on another picturesque drive to McLaren Vale. We checked out the 'Cube' and the Salvador Dalí Exhibition – as well as some 'mind altering' visual presentations.

Later that evening we arrived at the National Rally Dinner. Dinner and Show with a fabulous band, dancing and awards.

The MMCCV members did very well with awards presented to Kate Hutson, best original highlight convertible, Richard McKellar, best restored highlight traveller, Ross, best original highlight sedan, Graeme, fastest rocker cover in the rocker cover racing and Brady with best reproduction ensemble for Saturday.

Official Day Four: We departed Mt Lofty Summit and drove to 'The Bend' Motor Park. We participated in three

'fun filled' laps of the Bend circuit. Many members stayed the night and we proceeded on our way next morning.

Accommodation was booked at Nhill. Some chose to take up that option – others headed directly home, or kept the good times going with a trip to Robe.

Did I mention we had a good time?

OH... *(drum roll)* ...and a **the super special award**...goes to 'The Carr family!'... Stewart, Ross and Anne helped out so many along the way! What can I say about that... Thanks a Million!

Richard McKellar

Morris Minor convertible twin screen 1948 Lowlight model

Purchased in 1994 and was a project from then on.

The restoration began in 2013 and in the process the motor and interior have been removed. Rust has been cut out of the floor and the body sandblasted and primed. Unfortunately, due to ill health and financial constraints I am unable to complete the restoration. My wife and I would be very happy to see it come back to life and be loved by somebody else. It was originally registered in my name and the registration has been cancelled.

Seeking approximately \$10,000.00 open to negotiation.

It has been in this container for 8-9 years and I am sad that I cannot bring it back to its former glory due to my health. We are happy to have anyone who would like to look at it come. It is in Forrest and we live in Colac.

1952 Morris Minor MM - 918 Sidevalve.

Running, driving, and braking. Was working through the RW criteria to get it back on the road, but I don't fit in the car. Car comes with brand new carpets still in the box, two workshop manuals, tools and handcrank, spare tyre, new trafficator lenses and pedal rubbers. The floor is ROCK SOLID - this was the main reason I purchased the car. Only rust in the car is in the boot lid. I was told all that needs to be done to get it back on the road are the seats. A fantastic project for anyone willing to take it on, a true survivor with only 51,359 miles/82,654 kilometres. Location: Toolern Vale. Does not come with RWC or Rego.

Price: \$8,500 negotiable
