

VicRoads to introduce a new number range for club permit (Red) plates.

The current series of plates for club permit holders ranges from 00000.H – 99999.H. We're currently issuing plates from 95000.H onwards and expect to complete this series in the coming months.

The number series in our next release will range from 0002 H 2 – 9999 H 9. This new series will run on our existing plate design (dark red background/white lettering).

To ensure the plates are readable by electronic readers and intelligent management systems (used by the Victoria Police and tolling organisations), there will be some combinations in this new number range that we can't use, particularly those with the numbers 0, 1 or 5 directly before or after the H.

We'll let you know when distribution of this new series of plates commences.
